

Federal Vehicle Standards Tutorial

Go to www.gsa.gov/vehiclestandards

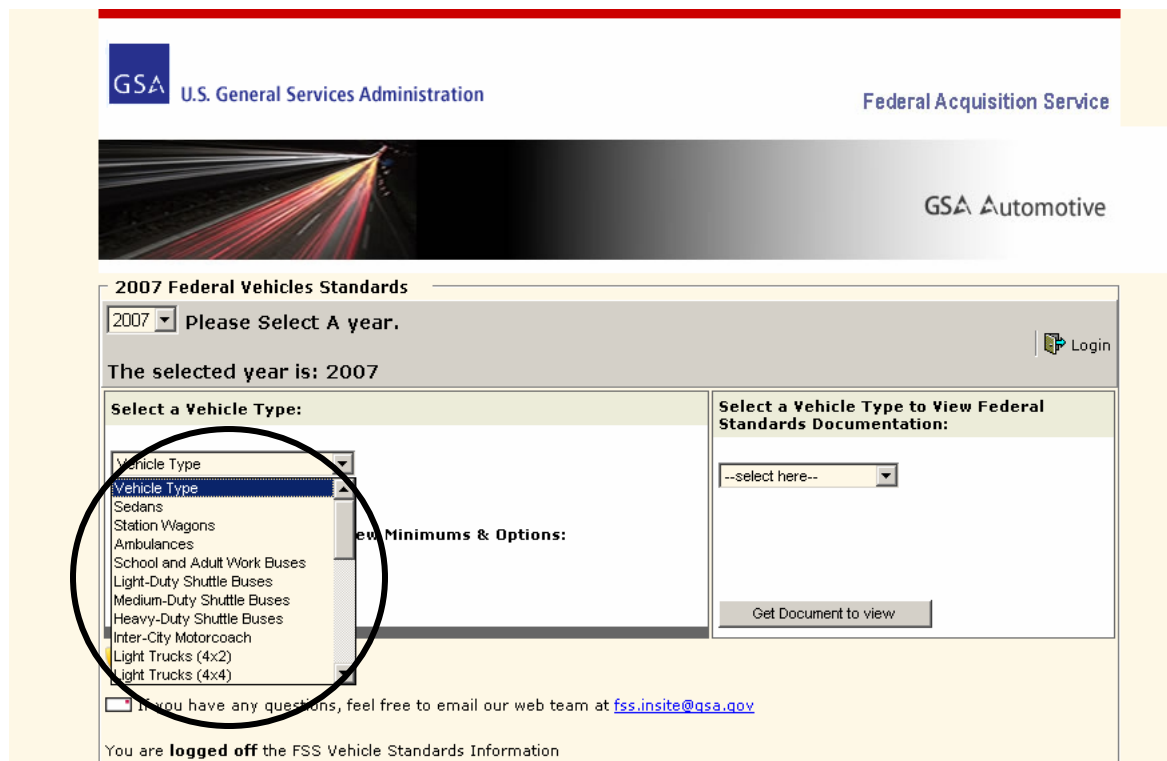

Choose Year 2007

The screenshot shows the GSA Automotive website interface. At the top, the GSA logo and "U.S. General Services Administration" are on the left, and "Federal Acquisition Service" is on the right. Below this is a banner image with "GSA Automotive" text. The main content area is titled "2007 Federal Vehicles Standards". It features a dropdown menu for the year, currently set to "2007", with the text "Please Select A year." and a "Login" button. Below this, it says "The selected year is: 2007". There are two sections for selecting a vehicle type: "Select a Vehicle Type:" on the left and "Select a Vehicle Type to View Federal Standards Documentation:" on the right. Both sections have dropdown menus. The left dropdown menu is circled in black.

I. VIEWING FEDERAL STANDARDS

a. Select vehicle type from the drop down menu on the left side of the Vehicle Standards webpage.

This screenshot shows the same GSA Automotive website interface as the previous one, but with the "Select a Vehicle Type:" dropdown menu open. The menu is circled in black and lists various vehicle types: "Vehicle Type", "Sedans", "Station Wagons", "Ambulances", "School and Adult Work Buses", "Light-Duty Shuttle Buses", "Medium-Duty Shuttle Buses", "Heavy-Duty Shuttle Buses", "Inter-City Motorcoach", "Light Trucks (4x2)", and "Light Trucks (4x4)". The "Vehicle Type" option is highlighted. Below the dropdown menu, there is a "New Minimums & Options:" section. To the right, the "Select a Vehicle Type to View Federal Standards Documentation:" dropdown menu is still closed, showing "--select here--". Below it is a "Get Document to view" button. At the bottom of the page, there is a footer with a contact email "fss.insite@gsa.gov" and a status message "You are logged off the FSS Vehicle Standards Information".

- b. Select Vehicle Model. After choosing the vehicle type, select the vehicle from the drop down box..
